## Table of Contents

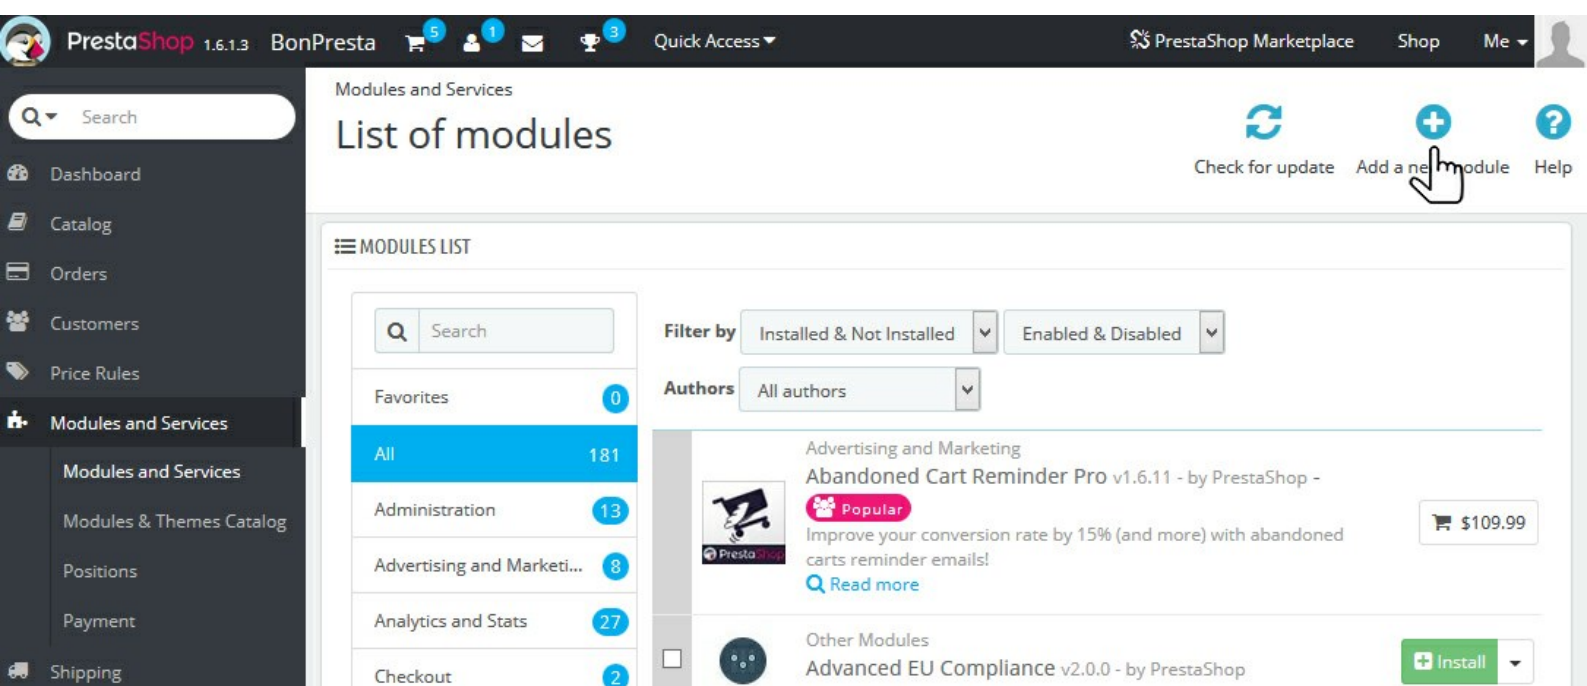

- A. [Installation module](#)
- B. [General Setting](#)

### A) Installation module

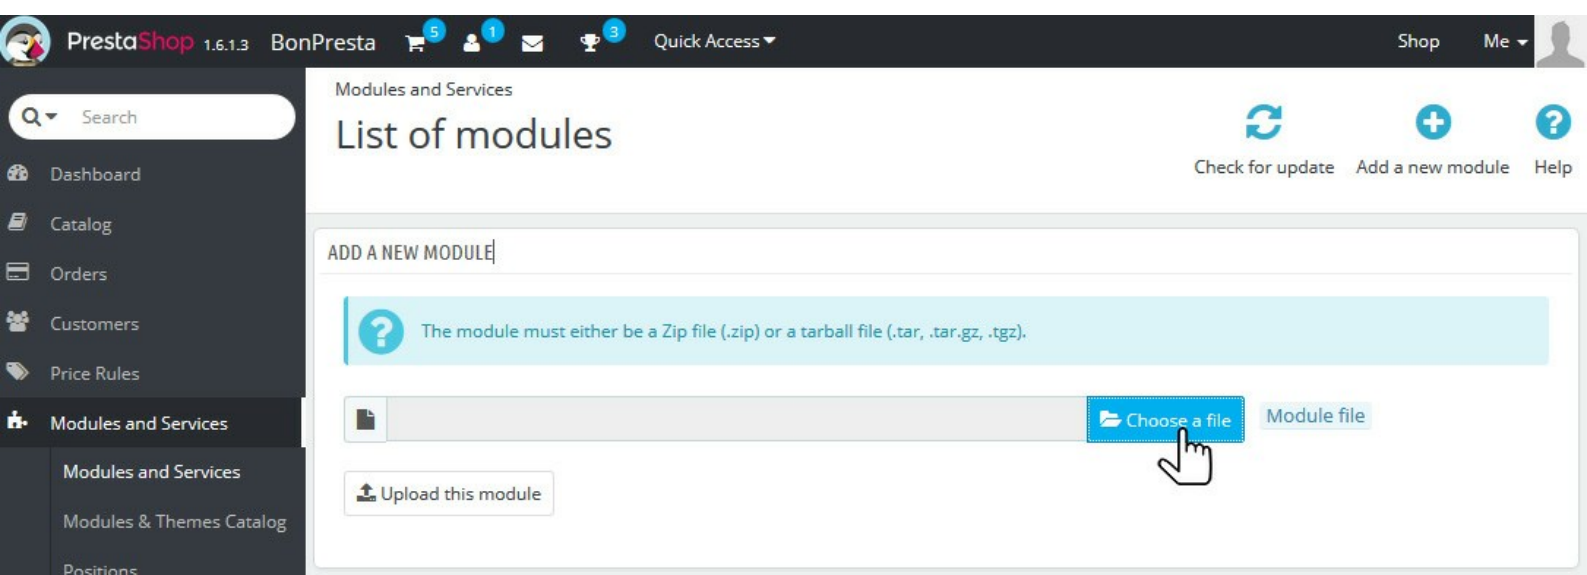

Go to your your Back-Office and open module section.

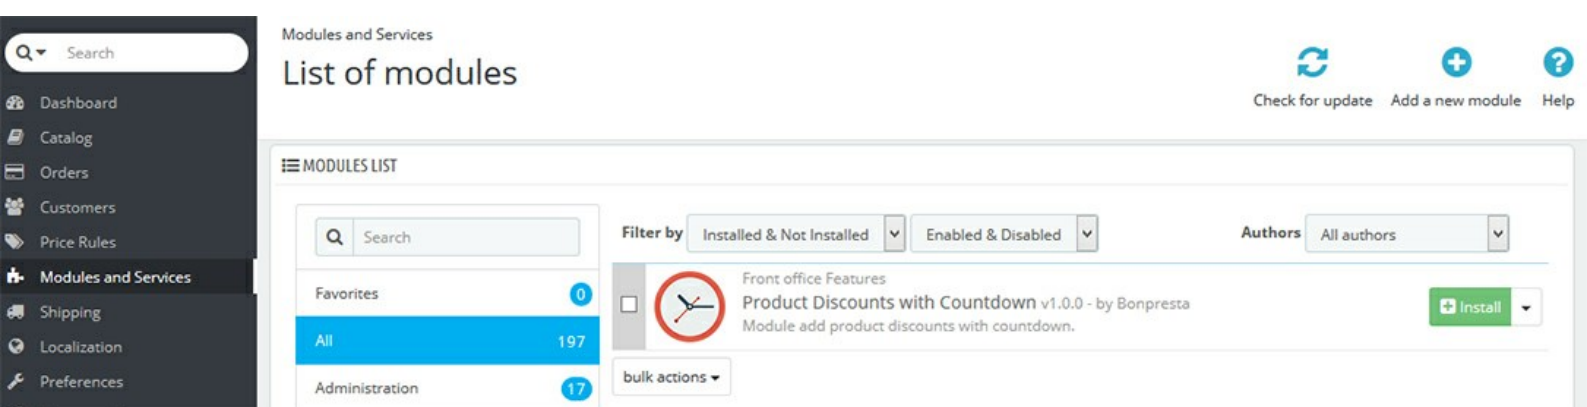

Then click on the button “Add new module”

Choose the file on your computer productcountdown.zip and upload the module to your shop.

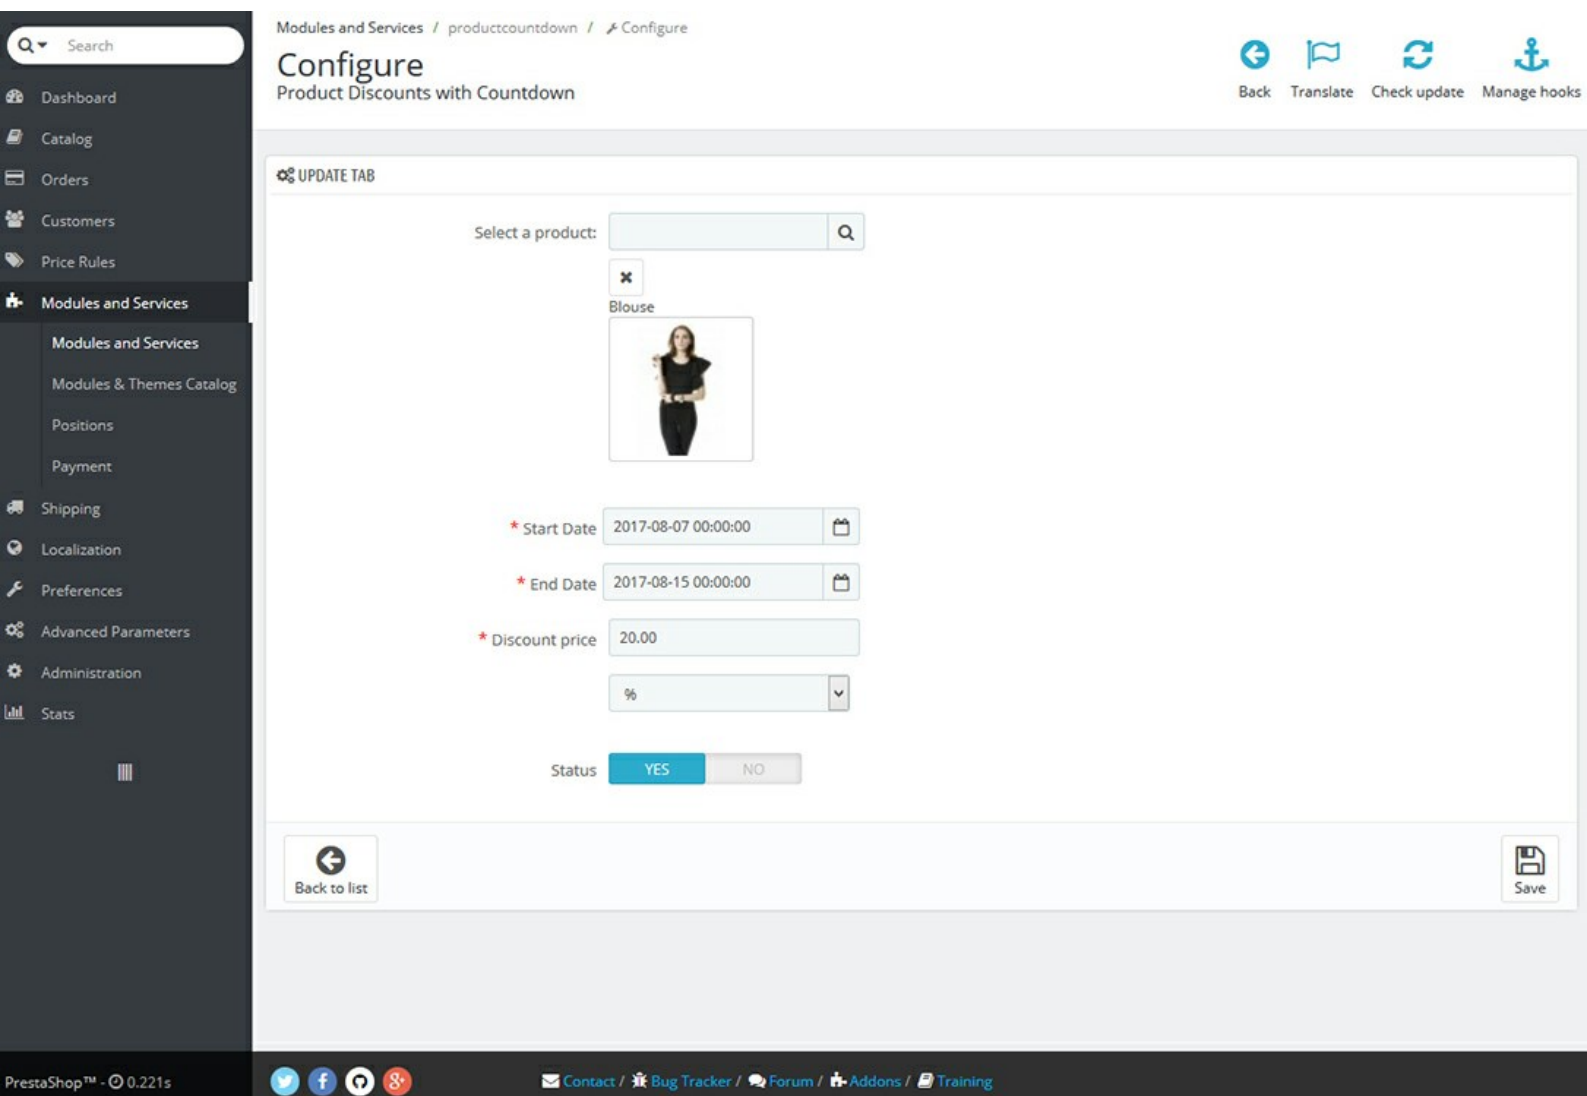

After adding the module you need to click to button “Install”.

### B) General Setting

Configuring the module is really easy.

Once again, thank you so much for purchasing this module. As I said at the beginning, I'd be glad to help you if you have any questions relating to this module. No guarantees, but I'll do my best to assist.
